BASEBALL MAGNATES WANT PLAYERS TO BAT HARDER

About More and Better Batting-Managers Will Discuss Steps to Increase Hitting at Their Next Meet ing-Fans Favor Action.

Because the baseball fans are clamattention at the annual meetings | Keeter? If the fielders played in close which are now close at hand. It is not quite safisfy the patrons, for the ball over their heads, while Will every dyed in the wool fan would Keeler and his sort are short, snapp, such prefer to see a game where the hitters, the direct opposite to Lajois is freer and where there is Hence the suggestion to play in th of the pitchers' buttle, Baseball from are called "Tans" because of ely excitement and feverish interest uplayed at games which is enused, striking babunen, but by hitich sends men around the Himelight with his scheme to increase

sill suggested, as a means to more hitting, that the outfielders be made to stand in one and the same spot for very batter while the pitcher is delivring the haft. The author in all like but it cannot be taken seriously by the thoughtful makers of baseball rules If followed out, the idea would tre mendously favor and handleap certain batters. For instance, wouldn't it be oring for more hitting, the baseball sort of a joke to see a left standing in moguls will give the matter serious the same spot for Lajoic and Willie for him the big Frenchman, with his true that the close seeres of games do terrible swipe, would be sure to hit

> ters is not feasible. George Teleau, owner of the Kansas City ball club, now comes to the

same spot for two such different hit
